Ed Summit

ED SUMMIT 2019 HIGH RESOLVES

Melbourne's Ed Summit 2019 brought together global thought-leaders, trail-blazers and disruptors from the education sector and beyond to look at the evolving face of education and provide education leaders with the tools they need to create an action plan based on best practice from around the world. NEXTGEN was contracted by High Resolves to successfully deliver the two day conference at the Swinburne University campus.

NEXTGEN was responsible for the following:

- Event Operators
- Breakout Rooms
- Preview Monitors
- Countdown Timers
- Lighting & Set Design

NEXTGEN
TECHNICAL - CREATIVE - TRUSTED

NEXTGEN delivered a complete turn key conference production service, managing every aspect of the event from start to finish. Our complete end-to-end solution included the following components:

— **Event Operator**

As event operators, we took charge of guaranteeing the seamless functioning of all technological aspects. This encompassed vigilant monitoring of batteries, frequencies, and the overall functionality of stage technology. Our meticulous attention to detail ensured that the event ran smoothly and without technical glitches.

— **Breakout Rooms**

We skillfully managed and facilitated breakout rooms, creating an environment conducive to focused discussions and interactive sessions. By organising and overseeing these smaller settings, we enhanced the overall effectiveness of the event, fostering meaningful engagement among participants.

— **Preview Monitor**

Our team provided a dedicated preview monitor service, offering a real-time preview of content before it was displayed to the audience. This meticulous pre-screening allowed for adjustments and ensured that all visual elements met the highest standards of quality and professionalism.

— **Countdown Timers**

To maintain a structured and punctual program, we implemented countdown timers strategically throughout the event. These timers served as visual cues, keeping both presenters and participants informed about the remaining time for each segment, contributing to the overall smooth flow of the conference.

— **Lighting & Set Design**

We set up a visually appealing and functional event space. Our creative input contributed to establishing a professional atmosphere that complemented the theme and purpose of the conference, leaving a lasting impression on attendees.

NEXTGEN are passionate about delivering excellence and creating unforgettable moments. Our team of experts is eager to collaborate with you to elevate your event. Let's join forces to bring your vision to life and make your ideas a reality.
